Sharp Interactive white board Sharp Cloud Scenario 3

09 August 2022

How Does Sharp Cloud work with Interactive white board

Sharp Cloud Overview

IWB vs Sharp Cloud Mockup Screen

PowerPoint Add-ins

The screenshot displays the Microsoft PowerPoint interface. The ribbon at the top includes 'File', 'Home', 'Insert', 'Draw', 'Design', 'Transitions', 'Animations', 'Slide Show', 'Record', 'Review', 'View', 'Add-ins', 'Help', and 'Tell me what you want to do'. The 'Add-ins' ribbon is active, showing a 'Save' button with a paper plane icon and a 'CLICK!' callout. Below the ribbon, a 'CloudD Add-ins' pane is visible. The main slide area shows a presentation slide with a blue background and a QR code. A 'Welcome' dialog box is overlaid on the slide, displaying the CloudD logo, a login button, and instructions: '1. Open CloudD app on your phone', '2. In your site folder, tap [QR Login] on [+] actions', and '3. Point your phone to capture the code on this screen'. A QR code is shown with a timer at '00:50' and 'Version 1.0.0.0'. A large black arrow points towards the QR code.

Presenter able to draw or record down the noted from Sharp IWB during the meeting. Once meeting done, user to save into Sharp Cloud
